# SUMMER GOODS

Mays-Vaughn Mercantile Co. - - Elba, Alabama.

One of our local boys told us the ther day that he was going to the seashore this summer to look around for a wife, because on the bathing beach he wouldn't have to take her at her face value. However, we'd like to have you give our used cars a tryout purely on their face value and then enjoy with glee the remarkable service these used cars will give you. Ideal and a necessity for the family health. Special bargains this week.

many a satisfied customer in the past. We want to say that if you have a friend who needs parts or work you can recommend him to our place and feel assured that he will get a square deal. And regardless of strangers or home folks we welcome them all to our place. We reline Ford transmissions the new way in 30 minutes, therefore you have no delay on a ob like that. We guarantee all work—in fact we work the "no cure no pay" way. You will find that we want every customer to get 100 per cent. for every dollar spent with us. We specialize on electric work, and keep most all kinds of electrical parts in stock. You run no risk on your part as we guarantee it and you can find us

any time. We also keep a full line of Timkin and try to keep just what you want. There has never try to keep ust what you want. There has never been a business that appreciated customers any more than we have in the past, and we still expect to give the same courtesy and make every one welcome to our new home. We also want to say that we want any and all to park with us, as we have plenty of parking room. We will also have a nice wagon yard fenced on private property for convenience of our customers and friends when they bring their teams to town.

We believe in making our town the best and happiest, and if every one that is in business will do an equal share we can do it. Yes, everybody pull together. We will do our part. With best wishes and
